

Kenya Vision 2030 Flagship Projects

Mugo Kibati
DIRECTOR GENERAL
Kenya Vision 2030 Delivery Secretariat

Africa's Story Is Changing

Kenya in the African Context

Over the past nearly two decades, Kenya has actively participated in the implementation of the **programs** and **projects** of the various Regional Economic Communities (RECs) including

- the EAC,
- COMESA,
- IGAD &
- more recently the CENSAD

The Hub of African Trade

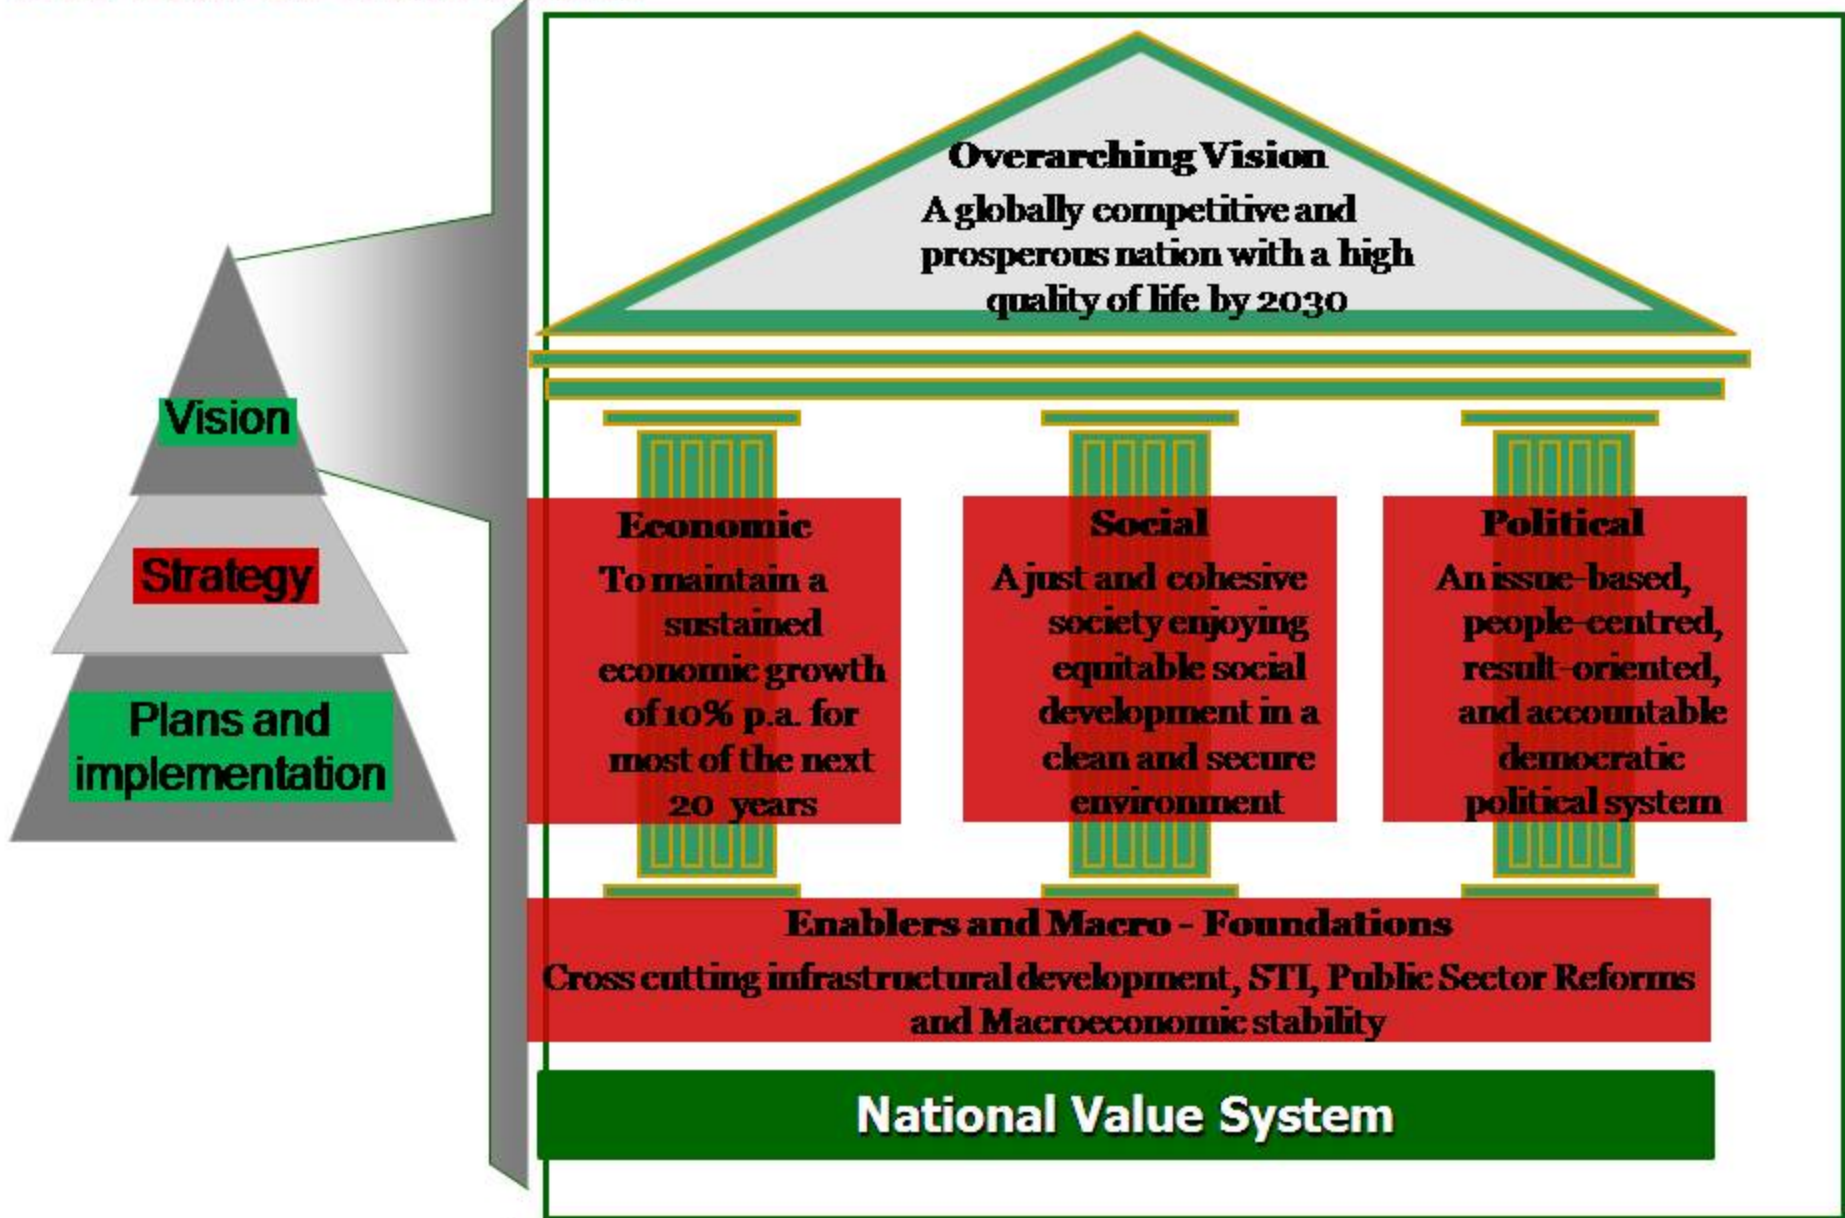

Kenya Attracting New Investors

Kenya Vision 2030

Overview of Vision 2030

Transformative Flagship Projects

- 
- Economy has been growing, Investments are bound.
 - 124 flagships projects have been identified to be implemented in all sectors and are spread all over the country.
 - What Kenya has to offer;

Information Communication Technology

Konza Technology City

The city will be developed on a Greenfield site 60kms from Nairobi, easily accessible via the major Mombasa-Nairobi highway.

Kenya's vision for the project, centrally positioned within a regional population hub of 110 million, is to create 200,000 in business processing outsourcing services and related sectors over 20 years.

Infrastructure & PPP.../1

Nairobi Commuter Rail

This project seeks an operator to run the commuter service of the Nairobi Commuter Rail and this will include provision of rolling stock.

Railway Cities

This initiative will include the redevelopment of existing rail stations into mini cities which include business parks for light manufacturing, hotels, shopping arcades, restaurants and parking garages.

Infrastructure & PPP.../2

Lamu Port (LAPSSET- Lamu Port Southern Sudan Ethiopia Transport Corridor Project)

The Project aims to achieve the construction of 3 additional berths and a draft of 18 meters to accommodate bigger ships of 100,000 tons and more in Lamu.

Thika Toll Road

The highway serves numerous large Commercial and Industrial enterprises and rapidly growing real estate zone. The 52 km long high capacity expressway is part of the International Trunk Road linking Kenya to Southern Africa through Tanzania and Northern Africa through Ethiopia.

Energy & Mineral Resources.../1

Olkaria V Geothermal Power Generation Plant

A geothermal power plant in Naivasha, drilling is currently taking place, 86 MW of steam is already available and the rest of the wells will be ready by 2014.

Liquefied Natural Gas (LNG) storage and Regasification facility with associated power generation

The project has two components. One component involve the establishment of a jetty, storage and the re-gasification facilities. The other component will be the development of power generation plant through a partnership between KenGen and the private sector.

Energy & Mineral Resources.../2

Transformer Manufacturing by 2014

This is an import substitution and capacity building project, aims to put up a Transformer Manufacturing Factory. A total of 20,000 distribution transformers will be required annually.

Solar PV Panels Manufacturing by 2014

The establishment of a Solar PV Panel manufacturing plant in Kenya. Initial market demand is about 2 MW Peak.

Real Estate – (Recreation, Sports, Tourism and Culture)

International Sports Academy

The project aims at being an international centre for excellence in training, research and consultancy services in sports, attracting international sports persons as well as local sporting bodies for training camps or specific team preparations.

Agriculture Sector

Projects	Promoter

Privatization of Sugar Factories	Ministry of Agriculture
LAPSSET Corridor Projects	Ministry of Agriculture
Establishment of new sugar processing factory	Ministry of Agriculture
Establishment of a Mango processing factory	Ministry of Agriculture
Establishment of Beef Industry	Ministry of Agriculture
Rice Irrigation Scheme	TARDA

Coming soon Projects.../1

Energy Sector

	Projects	Promoter
1	2 x 140MW Olkaria VI & VIII	KenGen
2	2x 100MW Menengai Phase I-I	Geothermal Development Corporation (GDC)
3	100 MW Wind Energy – Isiolo	KenGen
4	Mombasa Petroleum Trading Hub – Single Buoy Mooring (SBM)	National Oil Corporation of Kenya (NOCK)

Real Estate – (Recreation, Sports, Tourism and Culture)

	Projects	Promoter
1	Eco Lodges and Tourism Adventure Facilities	KWS
2	Mombasa Convention Center	KTDC
3	Isiolo Resort City	Ministry of Tourism
4	Marina Development	KTDC
5	Masinga Eco Tourism Project	TARDA

Coming soon Projects.../2

Real Estate – (Recreation, Sports, Tourism and Culture)

	Projects	Promoter
1	Eden; Cradle of Mankind	National Museums of Kenya
